

**Minutes of the ordinary Shareholders' Meeting of 28 April 2023
of DiaSorin S.p.A.**

At 12.00 hours on 28 April 2023, pursuant to the Articles of Association, **Michele Denegri** acting in his capacity as Chair of the Board of Directors, took the chair of the Ordinary Shareholders' Meeting of "**DiaSorin S.p.A.**", with registered office in Saluggia (Vicenza), via Crescentino, share capital of €55,948,257.00 fully paid up, tax identification number and registration in the Vercelli Companies' Register no: 13144290155, registered with the Vercelli Economic and Administrative Register no. 180729 ("**DiaSorin S.p.A.**", "**DiaSorin**", or the "**Company**"), meeting on first call, and with the unanimous consent of the participants, appointed as secretary of the meeting the Notary Carlo Marchetti.

Firstly, the **Chair** noted that, pursuant to Article. 106, paragraph 4 of Decree Law 18/2020, as converted and subsequently extended (the "**Decree**"), the Company had opted to indicate in the notice convening the meeting that attendance of persons entitled to vote would take place exclusively through the designated representative, and that the Directors and Statutory Auditors, as well as entitled persons in accordance with law (including the designated representative), other than those entitled to vote (who had to appoint by proxy the designated representative), could take part in the Meeting by means of telecommunication guaranteeing their identification.

The Company had given interested parties instructions for attendance at the Shareholders' Meeting through the aforesaid means of telecommunication: therefore all participants (including the Chair and Notary) were attending by video link.

The **Chair** announced that the following persons were attending the meeting by video link:

In addition, it was noted that the shareholder Carlo Maria Braghero had presented a declaration to vote against the items on the agenda, on 25 April 2023, requesting said to be recorded, attached to these minutes (**Attachment B**).

The **Chair** declared that the Shareholders' Meeting was quorate to pass resolutions on items on the agenda.

Finally, there being no objections, the **Chair** proposed omitting the reading and explanation of documents concerning the items being discussed, as said had been made available on the Company's website, pursuant to law, at the same time as the notice convening the meeting published on the Borsa Italiana website.

The **Chair** then went on to discuss the **first item on the agenda** and, considering that figures of the separate and consolidated financial statements at 31 December 2022 had been disclosed to the public within the statutory deadline, proposed omitting their presentation. Continuing, the **Chair** noted that:

- with reference to the appointment of the independent auditors Pricewaterhouse Coopers S.p.A., in addition to the disclosure already provided in the Annual Report pursuant to and for the purposes of Article. 149-duodecies of Consob Regulation no. 11971/1999, as amended, in compliance with Consob communication no. 96003558 of 18 April 1996, the number of hours and fees of the independent auditors to audit and certify the separate and consolidated financial statements at 31 December 2022 were as follows:

As detailed in the list of attachments.

The **Chair** announced the result and moved on to discuss the **fourth and last item on the agenda** .

The proposal to authorise the purchase and disposal of ordinary shares of DiaSorin was put to the Shareholders' Meeting for approval, in accordance with the combined provisions of Articles. 2357 and 2357-ter of the Civil Code, and Article. 132 of the TUF and related implementing provisions. It was noted that by resolution of 29 April 2022, the Shareholders' Meeting had authorised the purchase and disposal of ordinary shares of the Company. This authorisation for purchase was for 18 months from the date of the resolution and, therefore, would end during 2023, while the authorisation for disposal had been granted without time limits. It would appear appropriate that the Company be given the power to purchase treasury shares also after the above deadline. A motion was therefore put to the Shareholders to approve a new authorisation to purchase and dispose of treasury shares.

The **Chair** noted that the Explanatory Report of the Board of Directors prepared pursuant to the Issuers' Regulation had been made available to the public according to law and within the statutory deadline and also included in the "Explanatory Reports and motions on the Items on the agenda", in turn filed and made public within the statutory deadline.

The **Chair** then read the motions contained in the Report of the Board of Directors relating to the fifth item on the agenda, as transcribed *below*.

There being no change in attendance and no-one taking the floor, the **Chair** put to the vote (at 12.40 hours) through the Designated Representative's communication of the votes expressed on the basis of the voting instructions received (**specifying, for such voting, to have proxies for a total of 77,739,741 votes equal to 88.008312% of the voting rights taking into account shares with increased voting rights and voting instructions for all the aforesaid voting rights considering shares with increased voting rights**), the motions, read out and transcribed below:

"The ordinary Shareholders' Meeting of DiaSorin S.p.A, having reviewed the report of the Board of Directors,

resolves

(A) to authorise the purchase and disposal of ordinary shares for the purposes indicated in the Report of the Board of Directors attached to these minutes, and therefore:

- 1. to authorise, pursuant to and for the purposes of Article. 2357 of the Civil Code, the purchase, on one or more occasions, for a period of eighteen months from the date of the resolution of the ordinary Shareholders' Meeting, of ordinary shares of the Company up to a maximum of 610,000 ordinary shares, at an amount no less than a minimum of 15% and no more than a maximum of 15% of the official share price of DiaSorin S.p.A. on the trading day prior to each single purchase transaction, in compliance with the trading conditions established in Article. 3 of Commission Delegated Regulation (EU) 2016/1052; however, the maximum number of treasury shares held at any time in implementation of this resolution should never exceed the ceiling set forth in the current applicable regulations, counting also any Company shares held by its subsidiaries;*
- 2. to appoint the Board of Directors, and on its behalf, the Chair and CEO, even separately, to identify the number of shares to purchase in relation to each purchase programme, for the purposes indicated above, prior to the start of said programme, and to purchase shares according to the procedures established in applicable provisions of Consob Regulation 11971/1999 (as amended) implementing Article 132 of the TUF, in compliance with conditions on trading set out in Article. 3 of Commission Delegated Regulation (EU) 2016/1052 and in the stages considered appropriate in the interest of the Company, assigning the widest-ranging power to carry out the purchase as of this resolution and all related formalities, including the appointment of intermediaries qualified by law and the power to appoint special attorneys-in-fact;*
- 3. to authorise the Board of Directors, and on its behalf the Chair and CEO, separately and also through delegated persons, so that, pursuant to and for the purposes of Article. 2357-ter of the Civil Code, they may make use of the treasury shares purchased based on this motion, at any time, wholly or in part, on one or more occasions, without time limits, also before purchasing has ended, (i) through assignment to the beneficiaries of the 2023 Plan, according to the terms and conditions set forth therein or to beneficiaries of other incentive plans in force; (ii) on a residual basis, if treasury shares*

are still in the portfolio at the end of the 2023 Plan (or in any case, if the plan is no longer effective wholly or in part), or other incentive plans are in force, through allocation for other purposes permitted in accordance with law, including allocation to serve other future incentive plans adopted by the Company according to the terms and conditions established therein, or through the sale of said on a regulated market or according to further trading procedures envisaged by applicable regulations, without prejudice to the fact that any sales on a regulated market may not have a unitary value below 15% of the official price of the DiaSorin share in the trading session preceding each single transaction; transactions to use treasury shares in the portfolio will in any case be carried out in compliance with laws and regulations in force on the trading of listed securities, including the practices permitted by Consob in accordance with Article. 13 of the MAR, and may take place with one or more solutions, in gradual stages considered appropriate in the interest of the Company;

(B) to ensure that, pursuant to law, the purchases as of this authorisation are kept within the limits corresponding to the distributable earnings and available reserves resulting from the last financial statements (also interim), approved at the time of the transaction and that, on the purchase and sale of treasury shares, the necessary accounting records be made, in compliance with laws and applicable accounting standards."

The Shareholders' Meeting approved the motion by a majority.

No. 68,418,881 votes in favour.

No. 8,729,523 votes against.

No. 591,337 votes abstaining.

No. 0, non-voting.

As detailed in the list of attachments.

The **Chair** declared the result and before ending the meeting, thanked everyone for their trust and all staff for their active support; after completing the discussion of the items on the agenda, and thanking those attending, the Chair declared the Meeting ended at 12.42 hours.

A list of parties granting proxies to the Designated Representative, with the number of shares held and voting details is provided under Attachment "C".

Answers provided to the Shareholder Rosaria Caminiti

1) I grassi stipendi e le enormi buonuscite, che i vertici dell'azienda percepiscono, non dovrebbero essere proporzionali alla perdita del più del 50% per ogni azione Diasorin che in questo ultimo anno ha subito?

2) I vertici come giustificano tale sproporzionamento?

I compensi corrisposti ai Dirigenti con Responsabilità Strategiche (incluso l'AD/Direttore Generale) sono allineati alla Politica in materia di remunerazione adottata dalla Società in conformità alla normativa applicabile e sono verificati dal Comitato per la Remunerazione e le Proposte di Nomina, composto da amministratori non esecutivi in maggioranza indipendenti. Il Comitato si è avvalso anche del supporto di una primaria società di consulenza indipendente per effettuare un'analisi di comparazione dei pacchetti retributivi dei Dirigenti con Responsabilità Strategiche con il mercato di riferimento.

Si sottolinea che nell'esercizio 2022 non è stata corrisposta alcuna "buonuscita" a Dirigenti con Responsabilità Strategiche.

La composizione e le modalità di determinazione dei pacchetti retributivi dei Dirigenti con Responsabilità Strategiche di DiaSorin e le analisi comparative sopra menzionate sono diffusamente descritte all'interno della *"Relazione sulla Politica in materia di Remunerazione per l'esercizio 2023 e sui compensi corrisposti nell'esercizio 2022 di DiaSorin S.p.A."*, consultabile sul sito internet dell'Emittente all'indirizzo <https://diasoringroup.com/it/governance/assemblea-degli-azionisti>.

3) Che politica aziendale stanno facendo a danno dei piccoli azionisti?

4) Con quali misure o altro, porteranno l'azione a valere almeno 200 euro?

Le domande non sono pertinenti rispetto alle materie poste all'ordine del giorno. In ogni caso, si sottolinea che la Società ha da sempre orientato le proprie strategie e scelte di business nell'ottica della creazione di valore a lungo termine per la generalità degli azionisti e del successo sostenibile. Come è noto, il valore di un titolo sul mercato azionario è influenzato da molteplici fattori esogeni non dipendenti dalle scelte del management. In particolare, il corso del titolo DiaSorin ha risentito dell'esaurirsi della pandemia da Covid 19, che ha portato ad una diminuzione di circa l'85% dei volumi dei prodotti per la diagnosi del virus. A tal proposito, si evidenzia che l'andamento del titolo DiaSorin è in linea con quello delle altre società quotate attive nel settore della diagnostica.

DICHIARAZIONE DI VOTO

La brutta storia del Covid-19 è ormai in via di esaurimento: frequentiamo tranquillamente luoghi chiusi come palestre, cinema, sale da ballo, Partecipiamo a convegni con alcune centinaia di persone. Sono tutte attività che si svolgono in luoghi chiusi.

Però ci è stato impedito di partecipare a questa assemblea, di incontrare gli amministratori, di percepire dai loro interventi umori e sentimenti sulla situazione aziendale, di eventualmente replicare se le risposte alle eventuali domande fossero state ritenute insufficienti.

Vero che la scelta che avete fatto è in linea con la legge, ma debbo osservare che la legge ha previsto la FACOLTA' e non l'obbligo di utilizzare il Rappresentante Designato.

Poteva essere una disposizione cautelativa, in caso di possibile recrudescenza del virus, mentre voi l'avete utilizzata per il solo ed esclusivo scopo di impedire la partecipazione diretta ed il conseguente confronto democratico.

Il mio voto contrario sugli argomenti posti all'ordine del giorno non vuole essere un voto sul merito delle proposte bensì un voto di protesta per la scelta da voi fatta di celebrare una assemblea "a porte chiuse".

La protesta si estende anche alla assenza di un modulo di delega editabile.
